**National Study of Care Home Residents' and Relatives' Expectations and Experiences 2008
RECRUITMENT RECORD FORM**

Please make a record on this sheet of note of any new residents who move into the home, the date they moved in, and whether they agree, or decline, to participate in this study (once you asked them to give their 'informed consent'). We do not need the names of the residents on this form, but you may want to use initials or some identifier to make sure you don't put anyone on the form twice.

For any new residents or family/friends/carers who agree to participate in this study – please fill out a contact details form (yellow form) for them and return it in the reply paid envelope provided to BMRB.

The information given on this form will be completely confidential – no details will be passed on to anyone outside of BMRB.

Resident initials / identifier	Date moved into home	Resident able to give informed consent? Y/N	Resident agrees to interview? Y/N	If resident not able to give informed consent:			Contact detail form completed and returned to BMRB? DATE
